

Registration: \$25 base price for every person not participating in the Flotilla. This includes food at the Hedges and Prospect Point and the concert. The Flotilla itself will be comprised of antique non-motorized boats or boats in antique style, at \$25 per craft (which includes all fees for passengers with no further costs). Boat tickets also include all the shore activities. We also welcome more modern non-motorized craft, but all vintage craft will be towed at the front of the line.

Free admittance to all U.S. veterans with preferred seating in the front row of the concert.

Suggested Donations: Admiral, \$100.00 (includes two tickets and preferred seating in front at the concert); Captain, \$50.00 (includes one ticket and preferred seating behind the admirals at the concert). Please make your check out to the Town of Indian Lake Chamber of Commerce and indicate in the memo that the check is for the "Flotilla on Blue Mountain Lake." Checks should be mailed to the Town of Indian Lake Chamber of Commerce, 6301 NYS Route 30, Indian Lake, NY 12842. On the spot registration at the event will also take place. All funds go to making possible the 2017 Flotilla event; any additional funds that may come in will be set aside to support next year's 2018 Flotilla.
