## ON THE BRINK OF A MIRACLE

Every summer I declare the season a SUMMER OF MIRACLES – and this year we have already experienced miracles in Repulse Bay, Nunavut. As we launch into the summer, we are on the brink of another BIG miracle!

Two years ago we began believing and making plans for a new ministry centre in this strategic Inuit community situated on the Arctic Circle. This spring we sent Michael & Darlene Clark from Ottawa to oversee the ministry and building project. The Lord miraculously brought generous partners and ministries to stand with us. As a result all the funds for the building's shell and infrastructure have been provided, and the Clark's salary has been covered for a year. This supernatural provision is a confirmation of God's promise in Philippians 1:6, "Being confident of this very thing, that He who has begun a good work in you will complete it until the day of Jesus Christ."

With the snow melting and the weather stabilizing, work on the building has already begun. We anticipate that the structure will be erected and closed in by the fall. While this phase is underway we are declaring a miracle of provision for the finances to purchase the drywall, electrical, heating and plumbing supplies and the furnishings. These supplies must be bought and shipped before September 1st when the barge that goes to Repulse Bay will begin its journey from Montreal. This final phase will cost about \$100,000.00. This amount is enormous for a ministry our size, but when I look back at the way God has miraculously provided for us to get this far, my spirit is stirred as I stand on the promise of Philippians 1:6. He is going to

complete what He has begun! We are on the brink of another breakthrough; we are going to see the greatest SUMMER OF MIRACLES ever!

Over the past months you, our precious partners, have helped us raise approximately one third of the funds we will need to purchase these final supplies. Thank you for allowing the Lord to use you to put a miracle in motion!

Here's more exciting news! Just days ago I received a phone call from the Missions Director of Crossroads Christian Communications, informing me that this wonderful organization is prepared to match every dollar that is given to the Repulse Bay project this summer, up to \$30,000.00! That means your sacrificial gift will become a double blessing! A total of \$30,000.00 in individual partner gifts will become \$60,000.00! I am asking the Lord to lay the people of the north on your heart and prompt you to give generously.

Why is this project so important? In addition to providing a place of worship for the local congregation, it will become our Healing/Training Centre for the entire eastern Arctic. We will bring potential young Inuit leaders from communities in the north to receive personal spiritual, physical and emotional healing, and to be equipped and sent out to bring hope and healing to the youth of their own communities. I believe the curse of suicide can be broken as these anointed Arctic leaders arise and demonstrate the transforming power of Christ.

Highly respected specialized ministries from across Canada have already committed to join us in equipping those who come for healing and training. We believe each student will receive freedom from the emotional pain of past trauma, learn how to share their faith with others, and will be equipped to go forth in the anointing of the Holy Spirit.

As we declare this season a SUMMER OF MIRACLES, I am expecting supernatural supply for the Repulse Bay project, and I am believing God for His miraculous power to be poured out in your life too!

Let's partner in faith and in our finances to see the greatest SUMMER OF MIRACLES ever!

God bless you,

Bill Prankard

P.S. Don't forget – Crossroads Communications will MATCH every dollar you give to the Repulse Bay project before August 31st, up to a maximum of \$30,000. Let's DOUBLE THE BLESSING and see a miracle realized in the Arctic!

#### **Praise Reports from Repulse Bay From Michael & Darlene Clark**

##### **April:**

"Today was another great day at the Church as we taught the people about the Resurrection power of the risen Christ alive inside each of them. The reaction to this revelation in both services was seen in the facial expressions and the joy that came into the building was amazing. We are starting to see results from a month of teaching, relationship building, and trust building. We have been working hard to learn Inuktitut and will continue to do so, practicing each day with our friends. We are feeling so at home here and can't imagine being anywhere else. God is moving here and we continue to believe for greater growth..."

##### **May:**

"Last weekend was the fishing derby. A family and their young daughter were out fishing. The daughter wasn't having much luck so she asked her Mom if they could ask God to help them catch a fish. They prayed and about 10 minutes later the daughter caught the \$1500.00 prize winning fish. PTL!!! She is about 10 yrs old and has been attending the King's Kids Wednesday night program with Darlene."

##### **June:**

"Another notable healing took place in our home today. A 12 yr old girl who frequently comes to our home told us she hurt her leg during the fishing derby and thought she might have to go to the clinic. Darlene prayed for her and the swelling had gone down and the girl said she felt like she could run again. Praise The Lord for His healing power..."

There have been numerous healings including an elderly lady who had knee problems and after Darlene prayed, she said she could run. Every time I see her I ask her if she can run (we actually use sign language because she only speaks Inuktitut but she knows what I am asking) and she runs up and down the aisle of the church.

Last night we had a Bible Study. We have been looking at the book of Galatians and the fight between being under the law and under grace. Three ladies were set free tonight. They began with some crying and then joy took over and they were still laughing outside our house. We saw one of them at the hockey game last night and she was still full of the joy of The Lord."

## **UPCOMING EVENTS**

**Ottawa, ON | June 29**  
Peace Tower Church  
343 Bronson Ave.

**Gilmour, ON | June 29- July 1**  
Mount Zion Camp
