

## What is Planned Giving?

Planned giving is a thoughtful way of ensuring that the influence and blessing of your life, and the legacy of generosity you are establishing today, will continue when you are gone.

By making careful plans for the future now, you can provide for your loved ones and continue to support charities that will perpetuate your partnership in the work of the Kingdom.

Through The Bill Prankard Evangelistic Association's Planned Giving program, several options are available to you as you prayerfully contemplate the legacy you will pass on to others.

CELEBRATING **40** YEARS IN MINISTRY

The Bill Prankard Evangelistic Association is a registered charitable non-profit Christian organization in Canada with a mandate to fulfill the vision of Psalm 72:8 – “He shall have dominion from sea to sea, and from the river to the ends of the earth.”

We conduct extensive ministries and outreaches throughout Canada and around the world. Our primary mission focus is in the Arctic regions of Canada and Russia. By mentoring and equipping others to do the same, the effectiveness of our efforts is greatly increased as we proclaim the message of Jesus Christ to transform lives.

For specific advice, contact your legal advisor.

BILL PRANKARD EVANGELISTIC ASSOCIATION

## Wills & Estates

A current will is essential to any financial plan. As you make provision in your will for your family after you are gone, it is also an excellent time to confirm your values to others by designating a portion of your estate to a charity that reflects your values, such as the Bill Prankard Evangelistic Association.

Charitable gifts designated through your will impart a double blessing. They help charities carry on the work that you supported during your life, and they result in a tax credit that helps reduce any taxes owing on your estate.

Contact your legal advisor for the preparation of your will. If you don't know a lawyer who deals with will and estate planning, get a referral from a relative, friend, or your financial planner. We would be pleased to provide you with sample wording to insert in your will.

*...a Lasting Legacy*

## Appreciated Securities

Some of the greatest tax benefits are available to you by donating publicly-traded stocks, mutual funds and bonds to BPEA. These types of gifts carry a three-fold blessing. They provide valuable support for the Lord's work, they reduce your capital gains tax, and you receive a market value receipt for tax purposes.

The Bill Prankard Evangelistic Association is an authorized broker, to receive and process your securities donations. Simply contact our administrator to make your donation and begin reaping the benefits now.

## Life Insurance

A life insurance policy irrevocably naming the Bill Prankard Evangelistic Association as a beneficiary or co-beneficiary is an economical way to extend the spiritual influence of your life and reap additional benefits as well. At your passing, your estate would receive a donation receipt for tax credit purposes.

(Life Insurance cont.)

You can also choose to donate an existing policy that you no longer need and that has a cash surrender value. We will cash it in and issue a tax receipt for the cash surrender value.

## Retirement Accounts

Registered retirement savings (RRSPs) are a wise way to ensure that you have adequate income after you retire and no longer receive a salary. When you pass away, excess retirement funds can become part of your estate and are taxable. You can mitigate these taxes if the funds are donated to a charitable organization like the Bill Prankard Evangelistic Association.

Simply inform your estate planner of your wishes in this regard, and they will assist you with the details.
