A Supernatural Season!

A few short weeks ago two significant events took place that greatly impacted me. A precious and perfect new life (our fourth great-grandchild) entered the world. Just two days later one of my dearest friends slipped into eternity.

Great Grandchild,

As I pondered these events in my heart, the Lord reminded me that He sees our lives from a much bigger perspective than we do. A beautiful baby girl snuggled in the security of her mother's womb for nine months, unaware of the amazing and wondrous world awaiting her. At the same time my friend who clung so tenaciously to this life, could only imagine the glories of heaven that he is now experiencing in the presence of Jesus.

As one season of life ends, we who love and serve Christ know that the season ahead is far more glorious than we can envision. In fact, Hebrews 6:17-20 assures

us that, "When God wanted to guarantee His promises, He gave His word, a rock-solid guarantee - God can't break His word. And because His word cannot change, the promise is likewise unchangeable. We who have run for our very lives to God have every reason to grab the promised hope with both hands and never let go. It's an unbreakable spiritual lifeline, reaching past all appearances right to the very presence of God where Jesus, running on ahead of us, has taken up His permanent post as high priest for us, in the order of Melchizedek." (from THE MESSAGE)

Right now you may feel you are going through a season of stress, struggle or sickness, and at times the future seems uncertain. Take heart – a new and exciting season of the supernatural awaits!

In these recent months – our Summer of Miracles – we truly witnessed outstanding miracles as the Holy Spirit moved so powerfully across this nation and beyond. In June, Luke Price, our Associate Evangelist, and I began on the east coast, in Cap Pele, NB, and in addition to the many miracles of healing and calling believers to *Stand On Guard* for righteousness in the nation, we had the privilege of pouring into a fresh generation of Pastors and spiritual leaders who had come from 20 churches throughout the Maritimes.

As these men and women of God carry the torch of truth and proclaim His miracle-working power to their generation, I believe we will see the fire of God reignited throughout Canada's eastern gateway!

July took us from Quebec to Manitoba as we saw the supernatural power of God at work, and carried the Stand On Guard message wherever we went. In Val d'Or we were privileged to minister at a trilingual Unity Conference (English, French and Cree). It's so amazing to see all three cultures, languages and the varying generations bound together as one in the Spirit, worshipping Jesus, and letting Him ignite them with His fire.

Then in Swan River, MB, I had the privilege of ministering to two congregations, one of which was a church where Gwen's uncle, Clarence Walker, had been an early pioneer preacher at the beginning of the Pentecostal outpouring in Canada. As the Lord touched both hearts and bodies, we prayed that they would continue to keep the waters of this re-opened well of revival flowing to impact others for many years to come. Mt. Zion Camp in Gilmour, Ontario was another highlight of the summer, as we returned for the 41st year, to minister and also to stir up both young and old to continue flowing in the latter-day stream of supernatural and prophetic anointing into which they were birthed so long ago. During our time at Mt. Zion, Luke preached a powerful message entitled, "An Inconvenient Kingdom", and called on believers to give all for the sake of Christ. This message is now

available for you on CD. I encourage you to get it today, and allow it to stir your heart for righteousness in our nation in the face of the enemy's onslaught of evil.

This summer also marked a very important milestone for BPEA, when Luke Price became our Director of Missions in addition to fulfilling his ministry with me across the nation. He and I have traveled to the Canadian Arctic several times, and both of us are passionate about seeing the curse of youth suicide in the north broken by the power of God. After returning from ministry in Sweden and Israel, we completed August with a missions journey to several Canadian Inuit communities where the youth so desperately need to experience the resurrection power of Jesus, the giver of life, and healer of life's hurts.

Praying for Luke Price as we pass the baton

We continue to declare a financial miracle to establish a place of worship and Leadership Training Centre in Repulse Bay, NU, where we will gather promising young Inuit men and women and equip them so that they can effectively minister to the youth in their own communities who so desperately need hope and healing. The last barge carrying supplies into Repulse Bay leaves in just a couple of weeks. We praise God for partners who have sowed sacrificial mission seeds totaling \$60,000 and we are believing for a BIG miracle of supply to provide the remaining \$20,000 needed to see the Training Centre completed.

Even as we transition out of such an amazing summer season of miracles into the fall, my heart is full of anticipation for the new season of purpose and passion that we are launching into. Throughout the fall and winter months we will be in most of the remaining provinces, including British Columbia, Alberta, Saskatchewan and Nova Scotia, plus additional ministry in Ontario and Quebec (See our Events schedule for details). We are determined to challenge as many Christians as possible, “from sea to sea, and to the ends of the earth”, to stand on guard, to declare the matchless kingdom of Christ, and to see His glory released “in demonstration of the Spirit and of power.”

(1 Corinthians 2:4).

Every time a miracle has taken place or a soul comes to Christ, I am reminded of the army of faithful partners who make it all possible. Whenever a desperate young Inuit man or woman is snatched from the brink of death by suicide, or a life is set ablaze for Christ, it is because you are standing with us through your prayers and generous giving. We are a team! And together we shall see Canada saved and revived!

Yours in Him,

Bill Prankard

AN INCONVENIENT KINGDOM

MONTHLY PARTNERSHIP

What difference does monthly partnership make?

- The on going expenses of the ministry are cared for
- It allows us to extend our outreach to more communities across the nation and at the ends of the earth
- Your partnership helps us to touch the hearts of broken, hurting lives in the north, caught in the bondage of addiction, hopelessness and despair

In return, for your partnership, you will receive a monthly cd message, giving you exclusive updates and an inspiring word from Bill, Gwen and Luke. And we commit to uphold you and your loved ones in prayer.
