

 **OAK**
LA PLACE DE VIE 

The Lafayette General Oak represents how a small acorn can grow into an iconic part of our community. This one-of-a-kind metal tree is hand-crafted out of steel by a local metal artist and is mounted on a living wall of ivy. At its heart stands the Lafayette General crest. For \$500, you can have your name or that of a loved one engraved into the Tree's leaves to show your belief in wanting a healthier future for our community.

Your tree engraving can hold one line containing 25 characters.
